My name is Monica Rossi Baylis and I have been practicing in the area of juvenile law for 16 years. My practice is in Oakland County and I am a member of the Oakland County Bar Association and the Chair of the Juvenile Law Committee for the OCBA. At our last meeting on October 22, 2009 we addressed the proposed amendments to MCR 3.932 and as a committee took a vote as to whether we support or oppose the proposed amendments. We, as a committee, unanimously **oppose** the proposed amendments to MCR 3.932. All of our members have various reasons for opposing the amendments which we will be submitting separately before January 2010.
